THE CHALLENGE

What's Holding You Back?

FirstLease®
Achieving your dream

"A growing company with uncertain headcount needs a flexible office — without long-term lease commitments."

Headcount Uncertainty

AI-driven shifts & evolving hiring make fixed headcount planning hard

Lock-in Risk

3–9 yr leases = costly liability if team shrinks or pivots fast

CapEx Burden

Fit-out, furniture & infra costs before a single employee sits down

DISCOVERY

Let's Understand Your Needs First

Before recommending anything, we ask the right questions. Great offices start with great conversations.

Preferred Location

Which corridor? (Cyber City / Golf Course Rd / MG Rd / Sohna / GCX)

Office Type

Coworking · Managed · Furnished Lease · Bare Shell · Built-to-Suit?

Area Requirement

How many sq ft? (We'll clarify carpet vs. super built-up area)

Headcount / Desks

Current team size + 12–18 month hiring plan. Desk ratio per person?

Budget Range

₹ per seat/month (flex) or ₹ per sq ft/month (conventional)

Amenities & Preferences

Metro access · parking · cafeteria · meeting rooms · branding visibility?
