SPACE GLOSSARY FOR YOU

Know exactly what you're paying for.

CARPET AREA

The usable floor area within the four walls of your office.

- What you actually occupy
- Used for desk count planning
- Rent sometimes quoted on this

SUPER / BUILT-UP AREA

Carpet area + common areas (lobbies, lifts, corridors, washrooms).

- Includes load factor (15–30%)
- Often used for rent quoting
- Always clarify with landlord

Coworking: Priced per desk/seat — no area measurement needed. Much simpler to budget!
