Your Brief — What We Heard

A summary of your requirements as we understand them - do correct us if we've missed something.

Organisation	US-headquartered GCC	Establishing an India capability centre in Gurugram
Headcount	200-250 seats	Initial team; potential to scale further in 12-24 months
Space Type	Managed / Operator-run office	Fully furnished, plug-and-play - no fit-out responsibility
CapEx	Zero upfront investment	All costs to flow as monthly opex; no deposits or fit-out spend
Operations	Fully managed FM	Housekeeping, security, utilities, IT infra - all handled
Location	Gurugram - micromarket TBD	Shortlist to be aligned post discovery call
Area	~25,000-35,000 sq ft (carpet)	Based on 100–140 sq ft per seat (GCC collaborative standard)
Timeline	To be confirmed	Estimated go-live in 4–6 weeks post agreement signing

The Challenge

What holds GCCs back at the start

**Setting up a
new office is
costly, slow,
and distracting.**

*— especially for a
US-headquartered team
entering a new market.*

High CapEx Commitment

Fit-outs, deposits, furniture — lakhs upfront

Long Setup Timelines

Traditional leases take 3–6 months to go live

Operations Overhead

FM, housekeeping, IT infra - not your core job

Compliance Complexity

Lease negotiations, legal due diligence, licenses

Our Solution

Managed Office - Built Around You

A fully furnished, tech-ready, operations-managed workspace - you just walk in and work.

Plug & Play Space

- Custom-branded interiors
- 200–250 workstations
- Meeting & breakout rooms
- Reception & lounge areas

Tech Infrastructure

- High-speed redundant internet
- Video-conf enabled rooms
- Access control & CCTV
- IT helpdesk support

Full Ops Management

- Dedicated facility manager
- Housekeeping & security
- Utilities & maintenance
- Single monthly invoice

✓ No upfront CapEx ✓ Operational from Day 1 ✓ Lease managed by us

Gurugram Micromarkets

Each micromarket has a distinct character. Here's how the top three GCC belts compare — we'll align on your shortlist.

FLAGSHIP GCC ADDRESS

Cyber City / DLF Ph 2

Managed Office (per seat/mo):	₹12,000–18,000
Available Grade A Stock:	High — multiple operators
Metro Access:	✓ HUDA City Centre — 5 min
GCC Density:	★★★★★ Highest in Gurugram
Talent Pool:	Deepest — all major tech & BFSI
Commute (NH-48):	10–20 min from most sectors
Typical Go-Live:	4–5 weeks

- ✓ Prestige address — attracts talent
- ✓ Dense operator ecosystem
- ✗ Highest per-seat cost

PREMIUM RESIDENTIAL BELT

Golf Course Road

Managed Office (per seat/mo):	₹10,000–15,000
Available Grade A Stock:	Moderate — select operators
Metro Access:	✓ Sec 54–56 — 8 min
GCC Density:	★★★★☆ High — growing belt
Talent Pool:	Strong — senior tech & finance
Commute (NH-48):	15–25 min from most sectors
Typical Go-Live:	4–6 weeks

- ✓ Premium residential proximity
- ✓ Lower cost than Cyber City
- ✗ Fewer operators vs Cyber City

BEST VALUE FOR GCCs

Golf Course Ext. Road

Managed Office (per seat/mo):	₹8,000–12,000
Available Grade A Stock:	High — rapidly growing
Metro Access:	🕒 Proposed extension by 2026
GCC Density:	★★★★☆ Fast-growing GCC belt
Talent Pool:	Growing — strong mid-level talent
Commute (NH-48):	20–35 min from most sectors
Typical Go-Live:	4–6 weeks

- ✓ Best-in-class per-seat value
- ✓ Newest Grade A buildings
- ✗ No metro yet (2026 planned)

Space & Area - What to Expect

Carpet Area

The actual usable floor space inside the office - workstations, meeting rooms, common areas.

For 200-250 seats at GCC standard - (~110 sq ft/seat)

22,000 – 28,000 sq ft (carpet)

Super Area

Includes common areas shared across the floor - lobbies, corridors, washrooms. Adds a 'loading factor' (typically 20–30%).

Same 200–250 seats would be quoted as:

27,000 – 36,000 sq ft (super area)

What's typically included in the per-seat monthly fee:

- | | | |
|----------------------------------|--|---------------------------|
| ✓ Workstation + ergonomic chair | ✓ High-speed internet (primary + backup) | ✓ 24x7 security & CCTV |
| ✓ Housekeeping & maintenance | ✓ Meeting room credits (typically 40 hrs/mo) | ✓ Power backup (DG + UPS) |
| ✓ Reception & visitor management | ✓ Pantry / tea-coffee station | ✓ Common area upkeep |

NOTE: For managed offices, pricing is almost always quoted per seat (per month) - not by area. This makes budgeting simpler and more predictable.

Seating density guide:

Dense (call centre): ~70–80 sq ft/seat | Standard GCC: ~100–120 sq ft/seat | Collaborative/premium: ~130–150 sq ft/seat

Amenities & Preferences

Below are typical inclusions in a Grade A managed office at this scale. Items marked  are to be confirmed based on your preferences:

Standard Inclusions ✓

- High-speed internet (primary + backup)
- 24x7 security & CCTV
- Housekeeping & maintenance
- Reception & visitor management
- Pantry / coffee station
- Fire safety & emergency systems
- Power backup (DG + UPS)
- Air conditioning (central / VRF)

To Confirm With You

- Parking slots (ratio per 1,000 sq ft)
- Dedicated server / IT room
- Video-conferencing enabled rooms
- Cafeteria / subsidised food
- EV charging points
- Prayer / quiet room
- Accessibility requirements
- Branded main entrance / signage

Premium Add-Ons

- Creche / childcare facility
- Gym / wellness room
- Rooftop or outdoor break area
- Concierge services
- On-site IT helpdesk (dedicated)
- Managed printing services
- Guest WiFi network (separate VLAN)
- Locker rooms / change area

Our Process & Timeline

From your brief to operational Day 1 — in 6 weeks

Why This Works for You

Managed office vs. traditional lease - at a glance

Criteria	Managed Office ✓	Traditional Lease
Upfront Capital Expenditure	✓ Zero CapEx	✗ ₹2–5 Cr+ fit-out
Time to Move In	✓ 4–6 weeks	✗ 3–6 months
Facilities Management	✓ Fully handled	✗ Tenant's burden
Lease Flexibility	✓ 1-3 yr terms	✗ 3-9 yr lock-in
Scalability	✓ Easy to scale up	✗ Complex & costly
Branded Interiors	✓ Custom branding	✗ Bare-shell space
Single Point of Contact	✓ Yes - us	✗ Multiple vendors
Statutory Compliance	✓ Operator-managed	✗ Tenant's burden

Next Steps

Here's how we move from proposal to keys-in-hand:

- 1 Align on requirements -**
Confirm location, budget, area, amenities & timeline — any open items
- 2 We present shortlist -**
3–5 managed office options with full market benchmarks & floor plans
- 3 Site visits & selection -**
In-person tours followed by shortlisting your preferred option
- 4 LOI & agreement signing -**
We negotiate and execute on your behalf — full legal support included
- 5 Fit-out, setup & handover -**
Branding, IT, FM all live before your team walks in on Day 1

Ready to move forward? Let's schedule your site visits this week.

Thank You

We look forward to building your next great office in India.
